

The core truth of the Gospel, as Canadian Presbyterians understand it, is found in Paul's letters to a small diverse urban church in Corinth. He wrote, "... in Christ, God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us." (2 Cor 5:19-20) All of the events and appreciations in this insert seek to further that mission by nourishing souls to flourish in the reconciling grace of Jesus Christ.
