

“... in Christ, God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us.” (2 Cor 5:19-20)
Canadian Presbyterians see these words from Paul’s correspondence with the early church in Corinth as the central affirmation of the great truth of the gospel. What follows are opportunities to live into that truth more fully.

A Provocative Reading on Acts

A Circle expands forever
It covers all who wish to hold hands
And its size depends on each other
It is a vision of solidarity
It turns outwards to interact with the outside
And inward for self critique
A circle expands forever
It is a vision of accountability
It grows as the other is moved to grow
A circle must have a centre
But a single dot does not make a Circle
One tree does not make a forest
A circle, a vision of cooperation, mutuality and care
